DOCUMENT

Clear design
Simple language

Welcome.

We would like to offer you a warm welcome as a member of Bought By Many and a big thank you for buying your pet insurance from us.

We have designed our policies and customer service to be honest, friendly and easy to deal with. So whether you have any questions, compliments, problems or even complaints, we want to hear about them.

Policy documents can be a bit of a chore so we've tried to remove any jargon and confusing language to make it easy to understand. We're proud to say it is the first pet insurance policy in the UK to carry the Fairer Finance Clear and Simple document accreditation.

Bought By Many aims to pay every valid claim we receive and to make that happen we recommend you take a few minutes to read through the relevant sections of your policy wording.

It will help you understand what you are entitled to and make sure your claim is accepted. We exist to change insurance for the better. We have built online communities to help people get more from their pet, travel, home insurance and more.

We created our pet cover by listening to the needs, frustrations and suggestions of our members - they told us what was missing from existing policies, or what didn't work well.

If you have anything you would like to add to help shape future policies, or if there is anything you don't understand in this document, we would love to hear from you.
